

## LTPD Information Sessions

Once a Softball4Life Champion has utilized the LTPD Assessment Tool on a local softball association to determine their status with alignment of LTPD, one of the recommendations would be to host one of the two LTPD education opportunities:

Learn2Play Workshop – a 3 hour Workshop developed to help local softball associations to understand the Learn2Play Program/Long Term Player Development and how easy it is to implement in their local softball association.

The following resource materials provide or this FREE Learn2Play Workshop include:

- Learn2Play Manual focusing on Level 2
- U10@Play Fielding Roster
- U10@Play Batting Orders
- U10@Play Tracker Card (For Parents)
- U10@Play Parent's Guides
- U10@Play Coaches Guides

NCCP Learn2Coach Clinic- a 6 hour Coaching Clinic designed for the community softball coach who is working with youth by introducing the basic skills of softball. The focus for this Coaches clinic includes:

Developing a Coaching Philosophy

- Make Ethical Decisions
- Understanding Minor Rules of Softball and Softball Equipment
- Teaching FUNdamentals skills of movement and Softball
- Modifying a pre-designed practice

Softball4Life local softball associations will be given a changed to attend (1) of the LTPD information sessions listed above to provide tutoring on LTPD/Learn2Play program and the importance of this new philosophy in Canadian sport. Dates and locations of these information sessions will be determined after the Softball4Life assessment is completed.
