The following rules apply to Ontario teams attending Softball Ontario's Female House League Select Provincial Championships. This is applicable for U12, U14 & U16 age divisions.

Principles

- The intention of the rules is to follow the spirit of sending local softball association team/club team, rather than an All-Star Team
- A local softball association/club team is defined by its roster

1. A registration form, payment, proof of insurance, waiver and registration sheets signed by all Players, Coaches, and Parents/Guardians of Players who will be under 18 at the time of the tournament (maximum of 15 Players) and submitted the Softball Ontario for Teams to be considered for their given Select tournament.

2. Players who card with PWSA, OASA and ORSA are ineligible to participate in the Softball Ontario Female House League Select Provincials in the current softball season. *Exemption: ORSA players/teams can apply for an exemption to be able to participate in provincials (memberservices@softballontario.ca)*

3. Players must be registered with and played in their House League Association in the current softball season

4. Players may only play for one (1) Select Team

5. Local softball associations who have only one (1) team per division or interlock with neighbouring associations, the following rules will also apply:

- A Select team may be a lone registered House League team from one association provided they are the only team in the age group
- A Select team can be made up of registered House League players from more than one (1) association if each association has only one team to draw its players from and these associations play each other in their House League program

6. All Players and Coaches must sign in at least 45 minutes before their first game of the tournament. Any Players or Coaches arriving later must sign in before they play their first game. Players can be added at any time during the tournament, but their paperwork must be complete with parent signatures as required. Athletes are required to have birth certificates or any other form of valid Ontario ID as a method of age verification in the event that player eligibility is questioned.
